## ABOUT

Motivated web development student with a passion for creating modern and user-friendly applications. Interested in programming, system design, and solving problems. Currently seeking an internship as part of my studies in Web Development.

## EDUCATION

- **EC Utbildning (Vocational University),  
Web Development with .NET, Karlstad** 2024 - 2026
- **Komvux (Adult Education / Municipal  
Adult Education), Mathematics 2b &  
Programming 1, Bjuv & Helsingborg** 2023 - 2024
- **NTI Upper Secondary School,  
Aesthetics & Media, Helsingborg** 2018 - 2021

## EXPERIENCE

- **Teleperformance (Verifone Project)** (2021 - 2022)  
Customer Service Representative
  - Resolved technical issues with card payment terminals and assisted corporate clients via phone and email.
  - As a Senior Agent, I was responsible for handling more complex cases. Supported colleagues by providing guidance and assistance with their cases. Contributed to improving customer service processes and knowledge sharing within the team.
